Contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary, and are used for political purposes. The amount suggested is merely a guideline, and you may contribute more or less than the suggested amount. You may refuse to contribute without reprisal. The National Association of REALTORS®, or any of its state associations or local boards, will not favor or disfavor any member because of the amount contributed. 70% of each contribution is used by your state PAC to support state and local political candidates. Until your state PAC reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates, and is charged against your limits under 52 U.S.C. § 30116. After the state PAC reaches its RPAC goal, it may elect to retain your entire contribution for use in supporting state and local candidates.
