

Greater Harrisburg REALTORS® Institute Pre-Licensing Courses

In order for an individual to sit for the Pennsylvania State Real Estate Commission's real estate salesperson's exam, the individual must be 18 years old, and complete and pass two required courses, "Real Estate Fundamentals" and "Real Estate Practice". Fundamentals is 30 hours in length and Practice is 45 hours. Eighty percent attendance and a passing grade of 70% are required for each course. The two courses may be taken in any order; however, we recommend that individuals take "Real Estate Fundamentals" first. Upon successful completion of the state exam, you must request your criminal record check by the state police and complete an application for licensure.

Both "Real Estate Fundamentals" and "Real Estate Practice" are comprehensive intensive courses that prepare individuals to take the state real estate exam. In addition, both courses require individual reading and study time throughout the course.

Course Examination Policies:

The exam for each course is given during the last class. A student must score 70% to pass the test. A passing grade for each course is required. If the student does not pass the test the first time, the Institute has adopted the following policies:

- Students may arrange to retake the course examination one time, at no additional charge by contacting the Institute to schedule a time during the Institute's normal business hours.
- If a passing grade has not been received after taking the examination a total of two times (once at the end of the course and one retake), the student may pay \$25 to retake the test one additional time. If the student still does not pass the exam after the third time testing, we offer the option of retaking the course for a reduced fee of \$75.
- Retaking the course still requires 80% attendance from the student.
- After retaking the course, the student will have the opportunity to retake the examination one additional time if not passed on the night of the course exam (total of two retakes). After that, the student must pay full price to attend a future course.
- All examination retakes must be completed within one year of completion of the course. After retaking the exam, students may review their questions and answers for no longer than 30 minutes.
- Examination retake policies apply to all GHRI pre-licensing students including scholarship students. Scholarships include a one-time \$25 examination retake fee. All other additional fees must be paid by the scholarship recipient.
