New Listing Submission in Bright MLS

August 28 @ 10 a.m.

Discover a smarter, faster way to add and edit your listings! Bright's new Listing Management system combines seamless mobile responsiveness with the timesaving power of AI-assisted features for an enhanced experience that helps you get more done with less effort. Join for a walkthrough of the new system and learn about all of its efficiency boosting benefits.

MLS Essentials for New Bright MLS Users

August 28 @ 2 p.m.

Get started with a tour of your workspace and a review of all the products and tools that are included with your subscription. Also cover preferences, notifications, and branding in the MLS to help ensure you are setup for success!

Register in advance
