

STAY SAFE- AVOID SCAMS!

Why Safety Matters

Be vigilant. Protect yourself. Protect your business. Protect your clients.
When in doubt, verify first. If something doesn't seem right, trust your instinct.

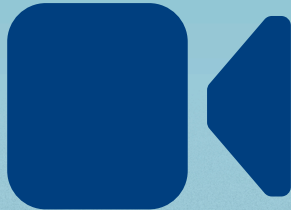

Best Practices:

Don't Click Links

from leads you can't verify

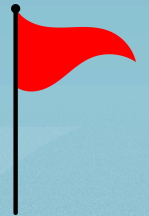

If Zoom Is Needed

send your own meeting link instead. Zoom links from unknown sources often contain malware

Meet the Client

if you don't know the client, meet them in a public place first, before meeting them at a property

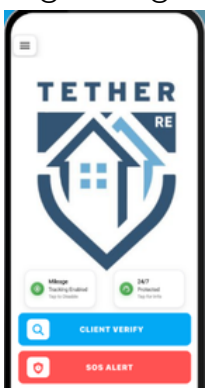

Red Flags

Make yourself aware of common real estate scams (land scams & wire fraud) and behaviors to recognize and avoid
